KSW2026 LAUNCH OUTLINE

A. WHAT IS KSW2026?

- **KORLE BU STANDS IN WORSHIP 2026** is a community-wide worship gathering birthed by the inspiration of the Holy Spirit and strategically designed to bring together people from within the Korle Bu enclave and across the city of Accra for a divine encounter with our Lord Jesus Christ in worship and praise.

- This Maiden Edition, which is set to take place at the **Bukom Boxing Arena** on **Friday, 18th December, 2026, at 5:00 PM**, aims to further increase the ministry's presence and strengthen our relentless efforts in spreading our message throughout the City of Accra. Through this meeting, we seek to mobilise thousands in one place, in one accord and with one voice to offer heartfelt and spirit-inspired worship to our Lord Jesus in unity, love and faith.

- The program will offer an atmosphere of faith where attendees will experience the manifested presence and love of the Lord, as over **twenty (20)** different choirs and music groups are being mobilized to lead the congregation in special times of worship. **KORLE BU STANDS IN WORSHIP 2026** seeks to draw at least six thousand **(6,000) attendees**, creating a significant spiritual impact for the city.

B. WHY THIS EVENT?

1. Create a visible and strong introduction of Christ Embassy Korle Bu to the community.
2. Provide a shared worship platform for multiple churches and choirs united in purpose in Christianizing our catchment.
3. Build relationships with healthcare workers, students, residents, traders, transport operators, public servants, professionals, faith leaders, and community groups that will be leveraged in subsequent community impact.
4. Develop a reusable community mobilization and event-delivery model for future outreach.
5. Create a high-quality, safe, well-documented event that can be evaluated and improved.
6. Provide a platform where all believers within the Korle Bu enclave can usher in the Christmas season with a heart of gratitude and praise to the True God and Saviour of the world, our Lord Jesus Christ.
7. To translate and deploy the training of our brethren into practical work that will be a milestone in their journey of faith and impact with God.
